

FEATURES

- Rugged Design
- Easy Installation
- Indoor/Outdoor
- Hinged

GENERAL/DESCRIPTION

These Clock/Speaker guards are designed for use with round or square clocks and baffles and are built to withstand harsh treatment. Each guard is fabricated from steel rods which are welded together, and receives a hot dipped chrome coating to protect against corrosion, allowing the guard to be utilized either indoors or outdoors. SBG-10 is hinged for convenient access to clocks.

ORDERING INFORMATION
