GENERAL

American Time® guards are designed to protect your equipment from inadvertent damage while maintaining optimum visibility. American Time stocks a wide variety of shapes and sizes for immediate delivery to you. Ask your customer service representative about our custom guards manufactured for the unique products you need to protect. Measurements are inside dimensions.

DESCRIPTION

These domed guards protect analog clocks and other equipment from damage. Clear guards blend in to the decor, offering invisible protection. Manufactured with heavy-duty polycarbonate material.
